

Daisies, Brownies and Juniors

Come dance with the honeybees!

Dancin' with the Honeybees is an interactive assembly and workshop program presented by beekeeper, Cliff Sunflower, on the importance of bees in our world (without them we'd have little to eat!)

Our program begins with an assembly where you will have fun learning about bees through song, dance, story, participation and more! Following the program, each participant will make a beeswax candle to take home.

Come join the fun!

*Brownies attending this program can earn their Bug Badge

When: Saturday, February 3, 2018
