

# Holiday Cards for the Troops

This holiday season, I am collecting handmade cards/ letters/ ornaments to mail overseas to our hard working, deserving troops.

**Here's what I'm asking for. As many handmade cards or letters** as you would like to contribute, made out of or decorated with any material. Do not put in an envelope. Any size card. Can address to anything like this: soldiers, troops, sailor, etc. They don't have to be fancy, just let the children use their imagination.

Each card/ letter should have a personal message as well as be signed (age or grade would be great too).

If you know of anyone in the military (at home or abroad) that would like to receive a care package of cards/ letters, please email me at [cmsrgs@verizon.net](mailto:cmsrgs@verizon.net) to provide their mailing address (will remain confidential).
