Dear Leaders and Advisers -

Next Monday will be our December Leaders meeting at 7:45 p.m. at the Cranford Community Center. Patti Brady and Nancy Ashmies have once again agreed to be our cookie product sales team and will be holding the 2015 Cookie Training during this meeting. Please let your cookies chairs know as soon as possible to attend this meeting!

Many of you may have noticed today's CNN article about Girl Scouts approving cookie sales online. I am sure Patti and Nancy will cover this, but this is the same as the QSP Nut Sale online option where a girl can create a page and send out emails to family and friends. This does not mean they can sell on Ebay or by other means on the Internet.

If any girls are up at this hour and would like to comment to the NJ.com /Star Ledger reporter Jessica Remo about how they feel about being able to sell via the Internet for the first time, please email jremo@njadvancemedia.com by 6 a.m. Tuesday morning. She is looking for a few quotes from Girl Scouts. Remember to include your name, Troop Number, Service Unit #48, and Girl Scout Level (Cadette, Junior, etc.).

A few reminders until Monday. The Frozen event for Saturday, December 6th is full and the First Aid and CPR classes are still open. I had a few people tell me they planned on signing up for one or both, but I haven't received the registration and payment. Please drop it off tomorrow or email me if there is a delay.

Also, if anyone is willing to make a holiday treats (cookies, brownies, etc) to make holiday platters for the school staff as a Holiday Thank you, please shoot me an email. We would need to join together to make enough for eight schools. Thanks in advance.
