Description: <i>Sow What?</i> invites girls on a journey through some big food issues: how and where food is grown, processed, distributed, consumed – and so often wasted. They'll learn about sustainable food networks and the importance of environmental stewardship.	Description: <i>Sisterhood</i> helps girls realize the benefits of sisterhood for themselves and the world. They'll learn ways to broaden their friendship borders, explore their personal relationship styles, and be their own best friend.
