

Woodworker

Badge Event for Cadette Girl Scouts

Woodworking give you a feeling of accomplishment—you can make stylish, useful things for yourself and others. Plus, it’s fun! In this badge, add to your talents with a skill Girl Scouts have been refining for 100 years—the ability to do it yourself. You’ll develop or refine your skills with a hammer, saw, and level, and complete the badge by creating a fantastic and unique wooden piece of your own design.

Steps

1. Swing a hammer—*Write your name in nails*
2. Keep it level
3. Use a screwdriver
4. Saw some wood—*Square it off & create your first initial*
5. Build something yourself—*Build a birdhouse or bird feeder*

When you’ve completed this badge workshop, you’ll know how to use some basic tools to make simple woodworking projects.

Space is limited so don’t delay—sign up today!

How to register:

This event, hosted by the Girl Scouts of Cranford, is scheduled for **Saturday, February 3rd, 2018**, beginning at **9:00 AM** (2.5 hours) at Cranford United Methodist Church, 201 Lincoln Ave. East, Cranford, under the expert tutelage of Mr. John Koneski. Registration is **DUE BY January 3rd**. The fee is **\$10.00** per Girl Scout (to cover the cost of the woodworking supplies, craft kit and badge).

Please complete the below form, choosing either a birdhouse or birdfeeder, and return it to Anne-Marie McGuinness (722 Gallows Hill Road) with payment by no later than January 3rd. Contact SU48@CranfordGirlScouts.com with questions.
