# Bubble-ology

This program is all about bubbles! Complete experiments to answer questions like “What makes the best bubble solution?” and “Are bubbles always round?” Once you’ve discovered the optimal bubble solution, put it to the test making bubbles, bubbles, and more bubbles! Girls will get messy; dress accordingly and leave your Girl Scout vest/smock at home.

\$10/girl

July 18, 2018, 5:00—6:30 PM  
Orange Avenue Pool  
1025 Orange Ave, Cranford, NJ 07016

This program is for SU48; Cranford only. Register at [gshnj.org](http://gshnj.org) and click on “Program Registration”
