

GIRL SCOUTS *of Cranford*

“BUILD-A-CAR” PARENT AND ME WORKSHOP PINEWOOD DERBY 2019

Saturday, January 5, 2019 2:00-3:30 p.m. at Bates Hall, First Presbyterian Church in Cranford

Cub Scouts Pack 103 has extended an invitation to the Girl Scouts of Cranford to participate in a “Build-a-Car” workshop. Girl Scouts will have an opportunity to work on their cars in preparation for the upcoming Pinewood Derby. The workshop will include the following:

Several workstations

Assortment of power tools (band saws, scroll saws, drills and drill press’)

Hints and Tips

For your convenience, speed and weight kits will be available for sale.

This workshop is open to 50 girls only. We will be sending out a SignUpGenius at a later time. The first 50 girls to register are guaranteed a spot. We will also have 10 spots available on the “Wait- List”, just in case we have last minute cancellations.

Also, we ask for a couple parent volunteers who are willing to stay after the session and help out with cleaning of the hall. There will be lots of sawdust!

This is an exciting opportunity for our girls!
